KAREN M. WILLIAMS
U.S. MAGISTRATE JUDGE

Judge Williams

I am writing you to say that I realize what I did was aggressive and stupid in filing the liens in Atlantic County. I am regretful and am wondering if I, or should I say given the opportunity I would remove said liens and never do anything as dumb in my life. I would abide by the terms of release to the letter. My 2 teenagers are suffering but to the point I would remain in honor.

I sent Sean M Green an email today asking for reconsideration as well with me removing liens. Please Advise.

Oh, and could you possibly
have the clerk send me a copy
of the indictment? I don't
have any of my court docs here.

#18-505(RBK)

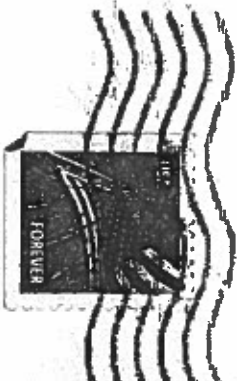

Very Respectfully

Ken

P.S. I still am pro se
